Commrs lost in revising the Scale of allowances in January 1898 (Vide Pro No 8369-404 Pl a 39-93 dated 20th January 1898) the Grade of Assistant Surgeons was not taken into consideration apparently by an oversight. The Senior Surgeons proposal therefore deserves favorable consideration.

I am not sure that the omission was an oversight. But most of the offrs of Corresponding grades get 4 Rs 1 & 8 As. (Asstt Surgns and Asstt Comrs by Separate Special orders) Unless the enhanced rates are considered too high all round for the corresponding classes of offrs, it is difficult to see any reason for this exception.

Submitted to the 3rd Councillor.

I do not understand why the mileage was daily allowance of the Asstt Surgeons were not assimilated to those of Asstt Comrs. allowed to Asstt Comrs. Inde d no reason to find the Original Rank of the former corresponds to that of Asstt Comrs. Dr Sengupta's proposal is reasonable & may be granted. Subd to Secy.

These questions will Com time to be raised till a formal decision is given. The Med. Offrs do not seem to be classed anywhere as on an equal footing with Rev. Officers of Similar standing (Comparatively). May not Govt say once for all that the rates cannot be enhanced in the case of Asstt Surgeons — except perhaps that first Class Ry fare may be allowed?

The Asstt Commrs seem to be treated here Comparatively more liberally than in British India.

Dated 11th June 1901.

Sir,

I have the honor to invite your attention to the rates of travelling allowance and batta given to Assistant Surgeons in the Mysore Service as they seem to me to require some re-adjustment.

2. Government in their order No.2364/73 of 31st March 1887, para 4, state that it is undoubted that the official rank of Assistant Surgeons corresponds to that of Assistant Commissioners and that therefore they should have the same batta and travelling allowance as Assistant Commissioners.The principle of that order is clear and I therefore venture to ask Government to have it re-applied to the case of the Assistant Surgeons of the present day and be pleased to order, as they did in 1887 that the travelling allowance and batta of Assistant Surgeons be assimulated to that of the Assistant Commissioners.Assistant Commissioners draw batta at the rate of Rs.4 a day and 8 annas mileage and I request that similar allowance be granted to the Assistant Surgeons in the service.
